WPRO Dengue Situation Update, 25 January 2012

Data up to week ending 14 January 2012 (latest data variable by country)

Dengue activity has been relatively low and stable among the listed countries. While Cambodia has reported more cases in 2011 than 2010 for the same time period, dengue activity remains low in Cambodia.

	Trend	No. reported cases		2012/2011 ratio
		2012	2011	
Australia*	-			
Cambodia	-			
Lao PDR	-	35	25	1.4
Malaysia	-	921	1 106	0.8
Philippines				
Singapore	-	138	188	0.7
Viet Nam				

The table is based on the number of reported cases. Dengue reporting systems vary by country and any change in the surveillance system over time is not reflected in the above figures. Number of reported cases listed for 2011 and 2012 are for the same time period for each respective year.

*Australia: *Aedes aegypti* is present only in Northern Queensland.

Australia: 764 cases (0 deaths) 1 Jan to 31 Dec 2011; 1 201 cases (0 deaths) reported for the same time period in 2010. Number of reported cases has remained low but slightly increasing since September 2011.

Cambodia: 15 980 cases (73 deaths; CFR 0.5%) up to 27 Dec 2011 with continuing low activity; 12 500 cases (38 deaths; CFR 0.3%) in 2010 for the same time period.

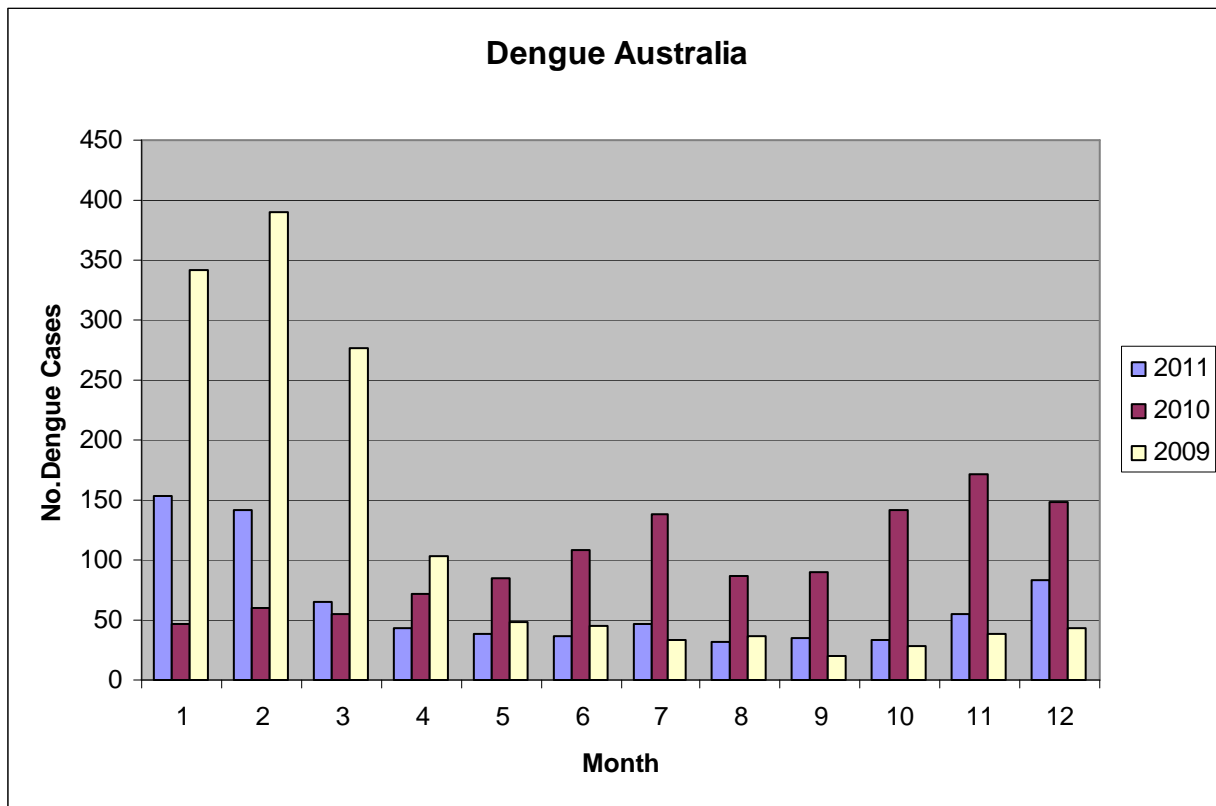

Lao PDR: Activity remains low with 35 cases (0 death) up to 7 Jan in 2012.

Malaysia: 921 cases (2 deaths; CFR 0.2%) up to 14 in Jan 2012 with continuing low activity; 1 106 cases (1 death; CFR 0.1%) in 2011 for the same time period.

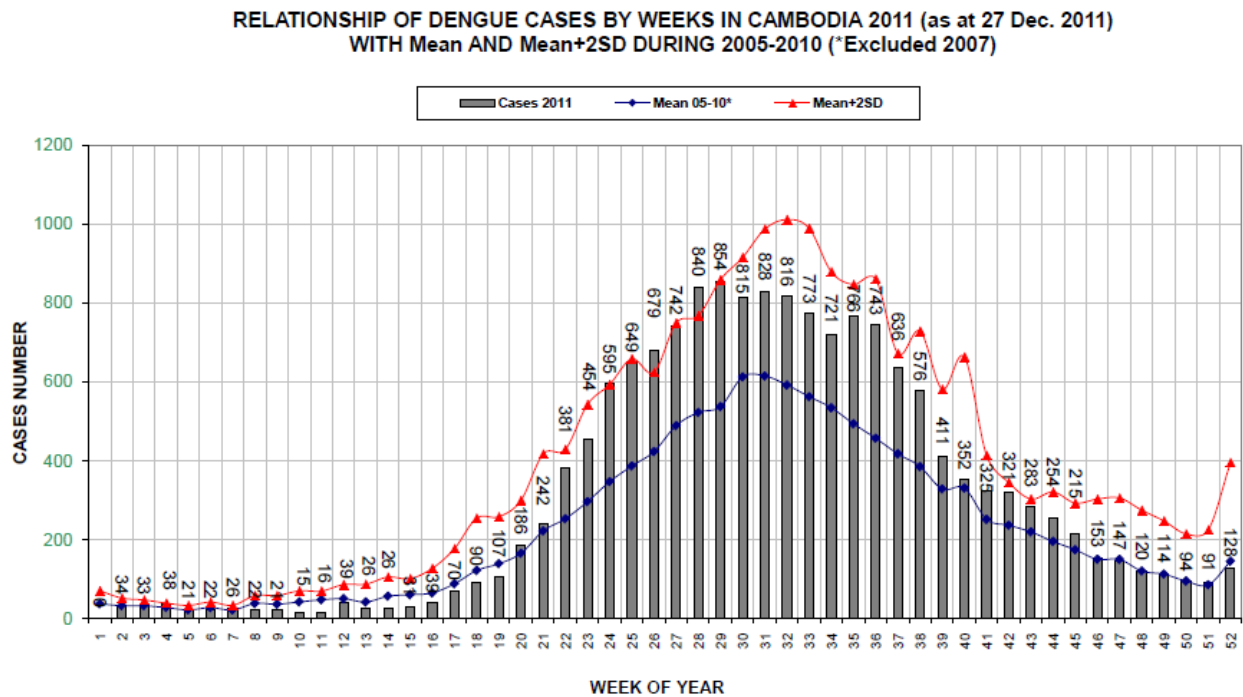

Philippines: 118 868 cases (639 deaths; CFR 0.54%) up to 31 Dec in 2011 with decline in activity since Aug 2011. 173 033 cases in 2010 for the same time period.

Singapore: 138 cases up to 14 in Jan 2012. Since the week ending 13 Aug 2011, the weekly number of cases has been below the warning level. 188 cases reported in 2011 for the same time period.

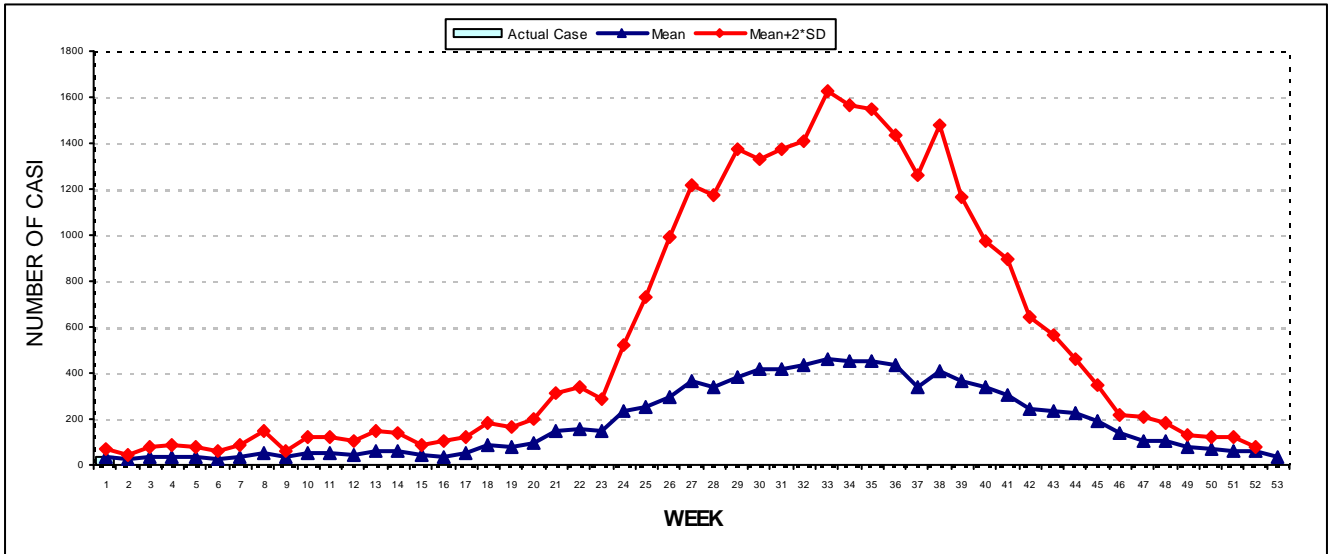

Viet Nam: From 1 Jan to 30 November 2011, 63 618 cases and 59 deaths (CFR 0.09%). 87% of cases (55 565) and 97% of deaths (57) were from southern region of Viet Nam. 109 304 cases and 84 deaths reported for the same time period in 2010.
